

ARTICLE X

Evaluations

A. Introduction

1. The District and the Association mutually agree on the importance of an evaluation system that:
 - a. Acknowledges excellence in teaching, encourages risk-taking and collegiality for professional growth, and supports those needing assistance;
 - b. Is based on standards of excellence that are well known and that are applied with clarity, consistency, and fairness for all teachers;
 - c. Allows administrators, teachers, parents, and students to work together efficiently and effectively to continuously improve education in our schools.
2. This article shall be implemented in accord with the guidelines of the Board Policy 4115. (This policy is included as Appendix I as an attachment to the contract for information purposes but is not subject to the grievance procedure.)
3. In elementary and secondary school, the principal has ultimate responsibility for evaluating staff members. In the secondary schools, the principal may share this responsibility with other site administrators. Department Instructional Leaders at the secondary schools may contribute toward the evaluation of department staff members.
4. By September 30 of each school year, staff members on the formal assessment schedule shall be notified by the Certificated Human Resources office of the name(s) of the person(s) responsible for their evaluation.
5. The responsibilities and duties enumerated in this section are listed to indicate activities that help accomplish the goals of evaluation. It is not necessarily an all-inclusive list. Staff and supervisors are encouraged to design and implement other activities that help fulfill the goals of evaluation.

G. Chronology

1. Evaluation tables are listed for Plans 1, 2.2 & ~~2.2 Peer~~, 2.4, and ~~2.4 Peer~~ describing the procedures for both formal evaluation years, in which summary evaluations are required, and informal years, in which no written summary evaluation is required.
2. All temporary and probationary staff members will follow the chronology given for Plan 1, which involves formal evaluation every year.
3. All permanent staff members with fewer than ten years experience in the District ~~unless requesting Plan 2.2 Peer (two-year cycle)~~, shall follow Plan 2.2, having a formal evaluation (~~written summary evaluation~~) every other year except when:
 - a. The staff member has been placed under Evaluation Plan 3: Does Not Meet Standards — Support/Improvement Plan Implemented;

 5. The target dates listed in the tables do not necessarily preclude those activities from also occurring during other times of the year.
 6. This Chronology by itself does not give a complete picture of the evaluation process. It must be looked at in conjunction with the responsibilities listed on the previous pages. Further, the establishment of the following target dates is not meant to ignore the importance of ongoing informal meetings between the supervisor and the staff member. Such meetings are an important part of the evaluation process.
 7. The target dates listed in these tables are dates by when the procedures are expected to be accomplished, although exceptions may be made. If procedures are not accomplished within two weeks after the target dates listed, some final judgments about the staff member’s performance that year may be impossible or inappropriate.
 8. During the informal evaluation year, staff members will be expected to review and revise their professional development plans, and may use a variety of methods for assessing progress on their professional development plans, including self-evaluation. Informal meetings with supervisors are encouraged.
