* Announcements during 4 <sup>o</sup>	* Announcements during 4 <sup>o</sup>	* Announcements during SELF/Advisory	* Announcements during 4 <sup>o</sup>	* Announcements during SELF/Advisory
Add "passing" time due to being on campus and beneficial for students.	No office hours/tutorial on Tuesday	Put SELF/Advisory after lunch b/c no issue of "returning" to campus		
Are we favoring afternoon prep/meetings b/c sports?				
Not ideal to have announcements in three different periods				
Move announcements to Adv/SELF, assuming recorded		Total Office Hours/Tutorial per week = 110 min		
Same start/end time and same lunch time daily		Total SELF/Adv. per week = 70 min		
Eliminates "brunch" and extends lunch		Total added to course time = 180 min.		
Lunch time same every day		Added prep time = 110 min. (2/7 = 52)
