**MEMORANDUM OF UNDERSTANDING BETWEEN PALO ALTO UNIFIED  
SCHOOL DISTRICT AND PALO ALTO EDUCATORS ASSOCIATION**

**2020-2021 ELEMENTARY SCHOOLS INSTRUCTIONAL SCHEDULES IN A COVID-  
19 ENVIRONMENT**

This Memorandum of Understanding (MOU) between the Palo Alto Unified School District and the Palo Alto Educators Association sets forth the parties' agreed upon negotiated effects of District decisions regarding the establishment of 2020-2021 elementary schools instructional schedules in a COVID-19 environment.

I. Shared Interests: This MOU is based on the following shared interests of the parties:

- A. Meet the diverse educational, social emotional needs of all students.
- B. Protect the safety of all students and staff.
- C. Acknowledge the professional expertise of educators on how to innovate to meet student needs through individual and collaborative creativity and ingenuity.
- D. Provide as much flexibility as possible to allow for adjustments in the delivery of education to students based on mandates or recommendations from governmental entities.
- E. Provide as much consistency as possible in the instructional schedules regardless of the degree to which education and learning occur remotely or in person.
- F. Allow for candid and constructive conversations among all educators so that "course corrections" can occur quickly and with the least amount of disruption to teaching and learning.
- G. Provide clarity about what teaching and learning look like when students are not designated to be in physical attendance on a school day. Establish and manage the expectations of teachers, students, parents, and the District community.

II. This MOU specifically addresses the Elementary Schools Instructional Schedule ("Bell Schedule".) It is understood that starting/ending, lunch and other times may continue to vary by school according to past practice. Negotiable matters pertaining to the 2020-2021 School Year currently being negotiated also pertain to the Secondary Schools Instructional Schedule. Other matters which may be the subject of future

negotiations may include: Leave Provisions and other changes in negotiable working conditions not already covered by and in compliance with the negotiated Agreement (Agreement).

III. The 2020-2021 Bell Schedule to be adopted by the Board of Education permits all students to return to school on a two cohort schedule, except as provided in Section III. F below. Students in each grade shall be divided into two cohorts of roughly equivalent numbers ("A Cohort" and "B Cohort") according to a method to be established by the District.

- A. In-Class Teachers will be given extra prep time to assign and review work for the distance learner groups. Article IX (Class Size), section A (Class Size Staffing Ratios) shall apply to on-site classes. At home learning for students may include lessons and activities in areas such as Social Studies, Science, Art, and Teachers College units. **In-class Teachers will follow the "Elementary Teacher Schedule" (attached). If schools are required to close all teachers will follow the "Distance Learning Schedule" (attached).**
- B. Distance teachers for Asynchronous Learning:
  - 1. The District will assign Distance teachers who will provide asynchronous on-line learning in Science and Social Studies for students in A and B cohorts on the days when they are not physically in class.
- C. Distance teachers:
  - 1. Distance Teachers: **Will follow the "Distance Learning Schedule" (attached).** Students who opt for full distance learning will be assigned to a Distance teacher. Distance teachers will be selected by the District according to the criteria set forth in section E of Article VIII (Transfers) of the Agreement, with volunteer applicants considered prior to District initiated transfers. For purposes of this MOU, "staffing needs of the District," shall, in addition to those needs already listed in the Agreement, take into account the efficacy of the distance learning program, and those unit members in high-risk groups, as appropriately verified by medical personnel, due to their own circumstances or based on those for whom they provide care.
  - 2. The Class Size Staffing Ratios for Distance classes shall be one teacher per average of thirty students. This ratio does not apply to teachers designated to create asynchronous Science and Social Studies lessons. **Article IX Class Size, section A (Class Size Staffing Ratios) shall apply for Distance teachers as follows:**
    - a) **If a distance class(es) is formed by school (i.e., students from one school requesting distance learning making up one or more classes), the contractual school staffing ratio for the appropriate**

grade shall apply.

b) If a distance class(es) is formed across schools (i.e., students from different schools requesting distance learning and divided into classes), the contractual school staffing ratio for the appropriate grade shall apply accordingly to the number of distance students and distance teachers.

D. Schedule:

1. Meetings will be conducted in accordance with requirements related to group gatherings as determined by the Santa Clara County Public Health Department. Further, the parties acknowledge the benefits of participation in virtual as opposed to in person meetings to the extent possible.
2. The parties acknowledge that the Bell Schedule is in compliance with Article XIII Working Conditions, section A (Elementary Preparation/Planning).
3. The parties acknowledge and agree that this Bell Schedule is a variance from Article XIII Working Conditions, section K (Full Day Kindergarten) with regard to the instructional day from the beginning of the school year through mid-October. **The half day morning and afternoon groups will continue until the district can resume a normal Pre-COVID schedule.**
4. Planning and Collaboration: Wednesdays will be early release days for students to allow for these meetings.
5. Staff Meeting times and days will be determined by the principal and staff in accordance with Article VII Hours, section A.7.
6. Shifts of recess and lunch times during the day may be embedded in the Bell Schedule of each school site in order to accommodate cohort consistency.
7. Potential staggered start and end times for individual school sites and / or grade levels may also be developed in order to maximize safety measures. **Instructional and school day minutes will remain consistent across school sites.**

E. Article IX Class Size, section A (Class Size Staffing Ratios) shall apply to on-site classes.

F. In order to meet the special and different needs of all student populations, some students may physically attend school and receive In Person Learning five days per week. Special Education class teachers who provide such In Person Learning five days a week will receive their full allotment of prep time and will not be responsible for distance learning. **The district will assess the size of those classrooms and the number of adults, including specialists, who can safely be present at the same time according to the County's SCCPHD social distance requirements of 6 feet. If square footage is determined to be inadequate to meet safety requirements, the district will look for another space for these classes.**
